

Leigh Academy Milestone

Vision Statement

- Leigh Academy Milestone has the highest expectations for our entire community. We are an aspirational school, acting locally so that we can think globally.
- We all have a right to learn, and to be safe while we learn.
- By recognising that each of us is an individual, we will strive to ensure that everyone will make sustained and where possible accelerated academic and personal progress.
- We will challenge everyone to achieve their full potential, and we will celebrate all our achievements together in a supportive, happy environment.
- We will ensure that everyone in our community is ready for our next steps - in our learning, and in our lives - so that each of us has a sense of purpose and belonging, is happy and can make a positive contribution to the modern world.
